### Community Questionnaire - Mail Cover Page

This questionnaire asks your opinion about how your spinal cord injury may be affecting you on a day-to-day basis.

This questionnaire has been written for a large group of people — all who have a spinal cord injury. Certain questions may not apply to your personal situation, but as every injury affects a person differently, all questions are included in this questionnaire. If you come across a question that you think does not apply to you, please answer it the best that you can.

There is one section that is not included in this package and can only be done over the phone (or in person).

**Please call your RHSCIR local site to set up a short interview to complete this additional section.**

Thank you!
